Start preparing for your future now by joining Isendoorn's bilingual (TTO) stream.

English is not just another language; it's the world language. Did you know that you already know and use English: *downloading*, *posting*, and *apping* are all English words, and you probably listen to music with English lyrics, watch English-language series on Netflix, and enjoy gaming. So, if you want to learn and use more English, and if you're ready, willing, and able to take on an extra challenge, then choose TTO.

But what does doing TTO mean? Well, that's easy: As a TTO'er you will:

- study geography, history, biology, gym, science, art, and RE in English
- speak English in the lessons to learn about the subjects and practise your English
- use English-language textbooks and watch English-language films & programmes
- speak English with your classmates to develop your language skills and confidence

But don't worry - it's not all work. As a TTO'er you'll do lots of fun activities as well. For example:

- English-speaking drama workshops with professional actors from Great Britain
- Email & Facetime projects with pupils around the world - e-twinning (cool, right?)

- Trips & exchanges - Schiphol & Amsterdam (1st year); London (2nd year); Italy/Czech Republic/Germany (3rd year); and an international internship (4th year).
- Reading, book talks, and creative writing tasks based on English stories and literature
- Lessons & activities to help you explore & develop your other talents and skills, as well as to challenge and inspire you

And at the end of it all? Well, you'll have had a great time; you'll have done some amazing and fun things; you'll be very good at English; and if all goes well, you'll have some extra diplomas - a Junior TTO Certificate; a Cambridge (havo & vwo) or Anglia (mavo) certificate; and when you leave school, an International Baccalaureate (IB) to help you in the future. Not bad eh?

TTO is a truly all round education. It's a challenge, but it's worth the extra effort, and many children from your school have done it before you - so don't worry: you can do it! If you want to hear more about TTO at Isendoorn, then come along to our **TTO High Tea** on **Sunday 17 February 2019**. Your mum and dad will hear about the details, and you can be a TTO'er for the afternoon. Interested? Sign in today.

We look forward to seeing you in February, and hopefully in one of our TTO classes in August.
